While on patrol, I located three NH-DOT street cones blocking the eastbound outlet of referenced intersection. I had RCD contact NH-DOT and inquire about the blocked roadway. RCD relayed that NH-DOT did not know why the outlet was blocked-off. Upon checking Ocean Blvd. I observed that in area of #88 Ocean Blvd. there was a recently constructed sewer that had been coned-off by NH-DOT. I noticed several spots amongst the group of cones that were missing and reasoned that these cones had been removed and relocated to Ocean Blvd/Atlantic Ave. I ultimately moved the cones back to their original location (protecting the sewer).
